## **Music at St Peter's**

Set in the heart of the vibrant county town of Dorchester, St Peter's has become a focal point for musical excellence. In addition to championing the Anglican choral tradition within the wonderful surroundings and acoustics of our 15th century church, Music at St Peter's offers a fantastic range of concerts and recitals, mostly with a liturgical theme. We have been delighted to host evenings of spectacular choral singing by groups such as The Gesualdo Six, as well as fabulous organ recitals by John Challenger (Assistant Director of Music at Salisbury Cathedral) and David Bednall (Choral Director at Clifton Cathedral). We are delighted to welcome back the Gents of St John's College, Cambridge to open our Autumn 2025 programme of events this September.
